

## Company Profile

P. H. Build Pty Ltd has been operating in Queensland Australia since January 2000 with Peter Hutton as the Company Director. [Peter has been in the Queensland building industry for 33 years](#) now and under his leadership, PH Build has grown into a company employing 14 permanent staff, several part time staff and 13 fulltime subcontracting carpenters and painters. Now in 2010, PH Build still has a dedicated team of professionals able to offer a complete service from consultation, design, positioning a house on your block, fully inclusive pricing and quality construction within time and budget constraints.

In 2006 PH Build nominated their very first entry for the [Queensland Master Builders Housing and Construction Awards](#). The Liona Display home was the winner of this prestigious award for the category of Display Homes \$200,000 to \$300,000. In 2007 PH Build won the Queensland Master Builders award for housing on Sloping Sites and in 2008 the award for Housing on Sloping Sites was won again by PH Build. Now that they have proven themselves to be multi award winners PH Build has not submitted any more entries since their last award winning home in 2008.

Initially P H Build Pty Ltd was involved in the mining sector; both surface and underground work, such as construction of workshops, underground ventilation systems, concreting of drifts, construction of bridges and surrounding earthworks and installation of concrete drains and pits. At this time some major commercial contracts were also undertaken that involved concrete suspended decks, vertical shutter forms and columns and tilt-slab panel construction and erection.

[The main office is located at 34 Yarroon Street](#), Gladstone and for the past 7 years, PH Build Pty Ltd has been building quality homes, duplexes and townhouses in the Gladstone, Calliope and Boyne / Tannum areas as well as several major construction projects in Moranbah including 2 motels, 47 houses and 26 townhouses

P H Build Pty Ltd believes in employing apprentices to ensure that the region has its own supply of competent trades people and the company has seen three emerge qualified in the last few years. This year, PH Build has already taken 4 students for work experience placements both in carpentry and architectural design and careful notice is taken of those school age students and an apprenticeship may be offered to a suitable student who shows both the aptitude and maturity to begin a fulltime career in the building industry.

[P H Build Pty Ltd are continually involved in the commercial building industry](#) and you can read all about these under the heading Commercial Construction Projects. A ten townhouse project "Edge on Anne" completed construction in March 2009 and a 45 townhouse project "Park Avenue" is under construction with Stage 1 due for completion late this year.

P H Build Pty Ltd currently has two Project Supervisors in the Gladstone region and they are supported by a professional team of Drafters, Designers and Project Managers in addition to the friendly competent administration staff that you can meet at our office.

Our carefully trained and dedicated team members are available to discuss any and every detail of the building process with you to ensure that everything runs smoothly, so you can relax and enjoy watching your house take shape, knowing that you have made a smart investment by choosing to build with P.H. Build Pty Ltd.
