

Company Profile

P. H. Build Pty Ltd has been operating in Queensland Australia since January 2000 with Peter Hutton as the Company Director. [Peter has been in the Queensland building industry for 32 years](#) now and under his leadership, PH Build had grown into a company employing 14 permanent staff, several part time staff and 13 fulltime subcontracting carpenters and painters. Now in 2009, PH Build still has a dedicated team of professionals able to offer a complete service from consultation, design, positioning a house on your block, fully inclusive pricing, and quality construction within time and budget constraints.

In 2006 P H Build Pty Ltd nominated their very first entry for the [Queensland Master Builders Housing and Construction Awards](#). And the Liona Display home was the winner of this prestigious award for the category of Display Homes \$200,000 to \$300,000. In 2007 P H Build won the Queensland Master Builders Housing and Construction award for housing on Sloping Sites and in 2008 the category of Housing for Sloping Sites was again won by P H Build.

Initially P H Build Pty Ltd was involved in the mining sector; both surface and underground work, such as construction of workshops, underground ventilation systems, concreting of drifts, construction of bridges and surrounding earthworks and installation of concrete drains and pits. At this time some major commercial contracts were also undertaken that involved concrete suspended decks, vertical shutter forms and columns and tilt-slab panel construction and erection.

[The main office is located at 34 Yarroon Street](#), Central Gladstone and for the past six years, PH Build Pty Ltd has been building quality homes, duplexes and townhouses in the Gladstone, Calliope and Boyne / Tannum areas as well as several major construction projects in Moranbah, including two motels, 47 houses and 26 townhouses.

P H Build Pty Ltd believes in employing apprentices to ensure that the region has its own supply of competent trades' people and the company has seen three emerge qualified in the last few years. At present P H Build has only one apprentice in training but this could change. Careful notice is taken of school students who are given work experience and an apprenticeship may be considered when a suitable student shows both the aptitude and maturity to begin a fulltime career in carpentry.

[P H Build Pty Ltd are continually involved in the commercial building industry](#) and you can read all about these under the heading Commercial Construction Projects. A ten townhouse project "Edge on Anne" has completed construction here in March 2009.

P H Build Pty Ltd currently has two Project Supervisors in the Gladstone region and they are supported by a professional team of Drafters, Designers and Project Managers in addition to the friendly competent administration staff that you can meet at our office. We look forward to working with you to ensure the process of building your home runs smoothly and that you are completely satisfied with the finished product.
